Summary of reasons for decision:

The computer image file depicts two children or young teens involved in sexual activity. It is deemed objectionable because it promotes and supports the exploitation of children or young persons for sexual purposes. This classification interferes with the right to freedom of expression provided by the New Zealand Bill of Rights Act 1990, however it is consistent with Parliament's intention that publications falling under s3(2) of the Films, Videos, and Publications Classification Act 1993 are deemed to be objectionable. This is a reasonable limitation on the freedom of expression that reflects the concern of a free and democratic society to protect its young from sexual exploitation.
